

**ORDER OF THE
DIGITAL OSOLIA OFFICE**

No. 04/XI, on 2025-10-17

On the electronic voting results of the October 2025 general election

Per the obligations of the Digital Osolia Office as established in OJCO no. 04/IX:

- (1) I, the Executive Director of the Digital Osolia Office, affirm that the results herein described are the unabridged results reported by the electronic voting and counting system and submit them faithfully to the Speaker of the Assembly to be enacted.
- (2) 6 ballots were cast during the 48-hour voting period.
- (3) 35 Osolian nationals were eligible to vote in this election. Turnout is therefore 17.1%.
- (4) The first choice votes for the position of Chief are as follows:
 - (a) 1 abstention was indicated
 - (b) 5 votes for candidate "Josephine"
 - (c) Josephine is therefore elected unanimously.
- (5) The first choice votes for the position of Speaker are as follows:
 - (a) No abstentions were indicated
 - (b) 6 votes for candidate "Hydrogen"
 - (c) Hydrogen is therefore elected unanimously.
- (6) To the best of my knowledge, the electronic voting system suffered no malfunction, and all cast ballots were registered and counted properly.

EXECUTIVE DIRECTOR

Hydrogen
